

# Faith House Adopt A Family

## Step 1: Apply

Visit [www.faithhouseacadiana.com](http://www.faithhouseacadiana.com) or email Kristen at [Kristen@faithhouseacadiana.com](mailto:Kristen@faithhouseacadiana.com) to get started.

We'll need:

- Your family, business, or organization name
- The size of the family you'd like to adopt (e.g., mom with 1, 2, or 3 children)
- Contact details: Name, phone number, and email address so we can send you the family's wish list.

## Step 2: Receive the Wish List

Faith House will send you the family's wish list, including five items per family member (for each child and the mother), their clothing sizes, and their favorite things to help make shopping easier. Donors will also receive the ages and genders of the children—but no identifying information for privacy.

## Step 3: Shop for the Family

Get in the holiday spirit! Buy a few items for each family member, or fulfill the entire wish list if possible. Please try to ensure an equal number of gifts for each child to make the holiday special for all.

## Step 4: Delivery Coordination

Our staff will arrange a delivery date and location with you. Please include gift wrap, tape, and bows so the mother can wrap the presents for her children herself.

**Note:** For the confidentiality and safety of our clients, donors will not receive identifying information or be able to meet the families.

**THANK YOU** Your generosity helps create lasting memories and a joyful holiday for families in need.
